

# "Classic Mk 2" Exercise Saddle

Made In  
Australia  
Made In  
Australia

## **Aeropanel**

All our saddles are fitted with our new Aeropanel specially designed using a 3D mesh polyester that absorbs pressure much like a Gel Pad but using air not gel so it is much lighter.

Leather Panel Top

Firm Foam

3D Mesh

SoftFoam

Suede Lining

## **Features**

**This is the same as the Classic but with bridle leather flap inserts for better wear. First made in 2003 we have restyled the inserts for a more stylish and effective finish**

(As nylon webbings are abrasive and prematurely wear out the flaps on your saddle we recommend the use of our stirrup leathers with the leather on top of webbing)

All Leather Saddle made from quality hand picked hides

Improved Steel 1/2 Tree

English chrome girth points

Large leather flaps with bridle leather inserts

Fitted with "Aeropanel" preventing pressure points

Fully made in our factory in Seaford, Victoria, Australia

Used by leading Trainers in Australia and overseas

Weight 3.6 KG

**Price \$490.00 unmounted incl Gst**
